

Friday, May 23, 2025 • 1:00 – 4:00 p.m.

Offered via Zoom Webinar

Virtual workshop presented by

Kristi L. Enochs, MSW LCSW

Clinical Training Specialist Senior

AmeriHealth Caritas Family of Companies

Introduction to ASAM Criteria, 4th Edition

FREE training offered by AmeriHealth Caritas New Hampshire

Description: This presentation will examine ASAM levels of care, the six dimensions of assessment, and how rating scales do not dictate treatment.

This training will allow practice of case studies to allow the application of criteria on each domain, identify ratings, and recommendations for appropriate levels of care.

Additionally, this session will look at new levels of care offering Withdrawal Management outside of traditional inpatient level of care as well as special populations and considerations for those involved in the court system.

Objectives:

- (1) To identify paradigm shifts towards more individualized care when utilizing ASAM criteria.
- (2) Understand new terminology, levels of care, and guiding principles.
- (3) To examine ASAM's six dimensions and how to apply risk ratings for appropriate level of care.

Accommodations: We strive to host inclusive, accessible events that enable all individuals to engage fully. If you require accommodation(s) such as live captioning or interpretation to participate in this event, please indicate what accommodations you need in the registration link below.
